Seed Supply & COA Certification Proposal

Dear Tommy,

Thank you for your interest in Green Future's products.

We are pleased to confirm that **all the strains you requested are currently available in stock.**

To help you select the most suitable option for your customer, we have prepared the following proposal.

1. Order without a COA (Seed Analysis Certificate)

- All requested strains are available for immediate shipment.
- Orders will be shipped immediately upon confirmation of the 50% advance payment.
- Estimated delivery time: **3–7 business days.**

2. Order with a COA (Seed Analysis Certificate)

If your customer requires a **Seed Analysis Certificate (COA)**, seed samples must first be submitted to the laboratory for testing before shipment.

- Estimated laboratory testing and COA issuance: **approximately 30 days**
- Estimated shipping time after the COA is issued: **3–7 business.**

As each COA requires a specific quantity of seed samples from each strain for laboratory testing and certification, we would like to offer the following ordering options.

Order Option	Seed Quantity	Price per Seed (EUR)	Price per Seed (THB)	COA Terms
Standard MOQ	500 seeds per strain	€ 1.00	38.44 THB	COA is not included. It can be arranged upon request for an additional fee.
Standard Order	1000–4999 seeds	€ 0.85	32.68 THB	COA is not included. It can be arranged upon request for an additional fee.
Smile Seed Bank Test Order	5 strains × 200 seeds	€ 1.15	44.21 THB	COA is not included. It can be arranged upon request for an additional fee.

Additional COA Services

If your customer requires a **COA for every strain** included in the order, the following additional laboratory service fees will apply:

No	Analysis Type	Additional Cost (USD)	Additional Cost (THB)
1	Purity + Germination	USD 250 per strain	8,327.36 THB per strain
2	Purity + Germination + Moisture Analysis	USD 500 per strain	16,654.72 THB per strain

Payment Terms

As the COA certification process requires sample preparation and laboratory testing, **Green Future will begin the COA application and laboratory testing process only after receiving a 50% advance payment of the total order value.**

Upon receipt of the advance payment, we will immediately proceed with the laboratory testing and COA application. Once the analysis has been completed, the order will be prepared and shipped accordingly.

We look forward to establishing a long-term partnership with you and will be happy to answer any additional questions you may have.

Kind regards,

Sincerely, _____
